The 24 Hour Clock

The timetables in this Travel Guide utilise the 24 hour clock. This system avoids confusion between a.m. and p.m. times and is easy to use once the principle is understood. A.M. times are shown as 0001 to 1200 and P.M. times as 1201 to 2400. Use the clockface here as a guide.

SAVE MONEY WITH A RETURN TICKET

Return tickets offer better value, but there are certain restrictions on their issue, e.g. most operators don't sell them before 0900, Mondays to Fridays, and they may not be available in 'flat fare' areas. If in doubt, ask the relevant operator or the Hertfordshire Traveline.
