### Buses are GREENER and CLEANER, because they...

- emit only 1% of all road transport pollutants
- are more energy efficient
- are the safest form of road transport
- run on lead free fuel
- use less road space per passenger mile
- are no smoking zones

## RUNNYMEDE

Runnymede, renowned for the sealing of the Magna Carta by King John in 1215, borders Old Windsor, just three miles south east of central Windsor. Two further distinguished sites at Runnymede may be found: memorials to men and women of the Air Forces of the British Commonwealth and North West Europe, who lost their lives in the Second World War and have no known grave, and to the assassinated President of the USA, John F Kennedy.
