Buses are GREENER and CLEANER, because they...

- emit only 1% of all road transport pollutants
- are more energy efficient
- are the safest form of road transport
- run on lead free fuel
- use less road space per passenger mile
- are no smoking zones

WINDSOR

The magnificent castle which dominates Windsor has been the home of British Kings and Queens for almost 900 years, and the Queen is always in residence whenever the royal flag is flying. Many fascinating hours can be spent exploring the castle, its precincts and of course the famous St George's Chapel. If you're lucky, you may even catch the colourful Changing of the Guard - a spectacle in its own right and always worth photographing.

(Please telephone the Windsor Tourist Office on 01753 852010 to check dates and times.)
